SERVICE MANAGER'S COMMENTS

Again, it has been a very busy quarter, especially with meals (hot and frozen) and transport.

Staff members attend regular forums, around the district, to keep up to date with what is happening in certain sectors. I attended a Transport Forum at the University of Sydney on the 27th and 28th February which proved to be quite challenging but very informative.

As the majority of our volunteer drivers are retirees (who love to go caravanning) we often find ourselves a bit short in the drivers' pool, so if you are looking to volunteer **WE NEED YOU.**

Until next time.

Service Manager

OUR NEW (EXTRA) VEHICLE

Pictured: Volunteer Driver John Taylor with client Gloria Corey getting ready for a trip to Young in the brand-new Toyota Corolla Ascent. This car was purchased following a generous local donation. It will mean a better service for our clients and a more efficient operation for Flexible Care. The boot area is generous and will allow easy transport of walkers and other mobility aids.

Incidentally, the vehicle is currently garaged in Gloria's carport until a more permanent arrangement can be worked out. Thank you, Gloria!

CALL FOR VOLUNTEER DRIVERS – now we have an additional vehicle, we need more drivers! We could have three vehicles on the road at the same time now. If you know of someone with a bit of spare time, please encourage them to speak with Trish (our transport coordinator) or with Debby (service manager).

STAFF MATTERS Care worker **Jacinta Potts** is enjoying her work, especially as she has taken on training in the administration area. Jacinta is broadening her skills and continues to be a real asset to Flexible Care.

REGISTERED CHARITY TICK

This symbol is the new Registered Charity Tick. We will be putting it on our letterhead, other documents and website from now on. This symbol aims to give reassurance to the public that our organisation is transparent and accountable by highlighting its presence on the ACNC (Australian Charities and Not-for-profits Commission) Charity Register.

Christmas Lights Tour a Success

This joint venture between Trinity School and Flexible Care was a wonderful occasion for 15 participants including adults and children. The bus, driven by Owen Davidson (thank you, Owen) toured both Harden and Young. As it turned out, the Harden lights were fantastic but the Young lights were less so, probably due to a massive storm beforehand.

The Young stage of the tour included a pre-arranged stopover at a home with a grotto and Christmas carols.

A big thankyou also to Kristy Stevenson who organised the tour and to *Green Homes Australia* for cover of advertising and bus hire.
